1. MIMS Login User Guide for All Ears

Your child/ward would have received her MIMS login details. The sticker with the login details has been distributed to your child/ward in the first week of the school term and affixed in her Student Handbook.

Do refer to Annex A for the User Guide and get your child/ward to login and set the challenge questions. It is strongly encouraged for her to reset her password during her first login and update it in her Student Handbook. Please also help remind your child/ward her MIMS password is her personal data that should not be shared with anyone.

Currently, the MIMS login details are required for use to log in to the MIMS portal (<https://mims.moe.gov.sg/sspr>) and for the termly check-in surveys and other surveys via the All Ears Portal. The MIMS login details can also be used as an alternative way to log in to the Student Learning Space (SLS) Portal.

If your child/ward encounters any difficulty with the self-service password reset, please submit the password reset request to the MIMS Student Administrator (SA), Ms Carinn Sim, through this google form at <https://go.gov.sg/rqpsict>.

2. Termly Check-In Survey via All Ears

As part of the school's efforts to care for the well-being of your child/ward, we will be carrying out the Termly Check-In Survey via the All Ears platform to provide the teachers with valuable insights into your child's/ward's emotional and social aspects of well-being. Through the survey, the Year Heads and Form Teachers will then be able to tailor our support systems to cater to the individual's and level's needs.

A summary of when the termly check-in surveys will be assigned to your child/ward.

	Term 1	Term 2	Term 3	Term 4
Check-in Survey	Start of the term	End of the term	Start of the term	Start of the term

For Primary 2 students, we encourage a parent/guardian to complete the survey with your child/ward so as to involve yourself in your child's/ward's well-being throughout the school year.

The unique QR code and link is for Primary 2 students only. Do get your child/ward to scan the QR code or click on the link <https://forms.moe.edu.sg/forms/vXZKqo>. Do ensure your child/ward completes the Term 1 Check-in Survey by Friday, 26 January 2024.

3. Invitation to Participate in Mother Tongue Fortnight Design

There are no restrictions to the number of designs students can submit. Students are to submit the hardcopy of their designs to their Art Teachers in 2024 or to the General Office, attention to Ms Ho Soo Peng. Students are to remember to include your **full name and class**, together with your design.

Important notes:

- This event is not a competition. **Only suitable designs will be selected.** A certificate/letter of acknowledgement will be awarded to students whose designs are selected. **Only shortlisted participants will be notified.**
- Late submissions will not be entertained and judges' decision will be final.
- By submitting their artwork, students agree to assign the copyright of their artworks to the school, even if the artworks are not selected for use. All copies of the artworks would be retained by the school.
- Should you have any queries, please email Ms Ho Soo Peng at: ho_soo_peng@schools.gov.sg

Thank you and we look forward to your child's/ward's participation.

4. Consent for the Use of Photographs and Videos

The school usually takes photographs and videos of students engaging in activities especially during special school events and celebrations. These are then archived in the school's repository. Sometimes, the photographs and videos may be used in school publications such as newsletters, school website and publicity materials.

We would like to seek your consent for the use of these photographs and videos should the need arise. No further action is required if you consent to the use of photographs and videos of your child/ward. Otherwise, please email the school (rgps@moe.edu.sg) your child's/ward's name and class to indicate your non-consent by **22 Jan 2024**.

5. Guidelines on Use of Smart Watches

In recent years there is an increase in the number of students wearing smart watches to school. The capabilities of these smart watches range from calling, messaging to photo and video taking. We recognize the benefits of smart watches and seek parents'/guardian's support in ensuring that your child/ward adheres to the following guidelines on the use of smart watches in school.

To ensure that smart watches do not interfere with teaching and learning, and to safeguard the privacy of all students, students may only use their smart watches after school and at the canteen and pick-up point. During lessons and school programmes, students should switch off their smart watches and keep them in their bags. Smart watches are not allowed to be worn during weighted assessments and examinations. For time-telling purpose, students can refer to the clocks in school or wear a simple watch. As with the case for handphones, students are required to register their smart watches at the General Office.

The above guidelines do not apply to the POSB Smart Buddy watches.
