1. Temporary Adjustment to School Uniform Policy

As we continue to experience unusually hot weather, we are writing to inform you of a temporary adjustment to our uniform policy. We understand the importance of ensuring the comfort and well-being of our students during these warmer days.

Effective immediately and until further notice, students will be permitted to wear their PE attire to school instead of the full school uniform. This decision has been made in consideration of the warmer than usual temperatures and the need to provide a more comfortable learning environment for our students.

We would also like to remind students to maintain the same level of respect in their appearance and behaviour while in their PE attire. Please do remind your child/ward to continue to adhere to school rules regarding appearance, hairstyles and keeping short, clean nails as stated in the Student Handbook.

Here are some important points to note regarding this temporary arrangement:

Guidelines for wearing of PE attire:

- PE attire should adhere to the school's dress code policy as stated in the Student Handbook.
- PE T-shirt must be tucked in when worn at all times.
- Please ensure that PE attire is appropriate, modest, and in good condition.
- Students should still wear appropriate footwear for school activities.

This temporary permission for wearing PE attire will remain in effect until the weather conditions improve and a return to the full school uniform is deemed appropriate. We will monitor weather forecasts and keep you informed of any changes to this arrangement.

Students should understand that this temporary permission is a privilege and should not be abused.

If you have any questions or require further clarification, please do not hesitate to contact us. We will continue to provide updates as needed regarding uniform policies and any changes to school procedures.

Your understanding and cooperation are greatly appreciated as we navigate these challenging weather conditions together. Our primary concern is the well-being and comfort of our students, and we believe this temporary adjustment will contribute to a more conducive learning environment.

Thank you for your ongoing support and cooperation.

2. P5 Prefect Outreach

The RGPS P5 prefects have come together to initiate a donation drive for Lee Ah Mooi Old Age Home and Thye Hua Kwan Nursing Home. Information about the following two beneficiaries is included below followed by a list of items requested by them.

The Lee Ah Mooi Old Age Home was established in the mid-1960s by the late Madam Lee Ah Mooi who opened the doors of her Kampong Chong Pang residence to retired Samsui women and former Amahs who wanted a trained nurse to help care for them during their twilight years. Their philosophy now is to cater to the sandwich class of elderly – those who do not qualify for government-funded homes but also cannot afford the more expensive, profit-driven private

homes with top priorities on affordability and personalised eldercare. Their mission is to provide affordable, professional and personalised eldercare services for the needy and sick in Singapore regardless of race, language or religion.

The Thye Hua Kwan Nursing Home in Hougang serves 285 residents at the moment and at least 114 of these are patients with dementia. The Nursing Home believes in providing quality of life for aging Singaporeans. Thye Hua Kwan endeavours to assist anyone who needs help in every way possible with full respect to their race, creed, language, culture and religion.

We hope that through this activity, pupils will be able to show empathy, gratitude for the food they have been provided and graciousness towards others, especially those who are not as healthy or privileged as they are. We also hope that this will help to highlight the plight of the groups of society being helped by these two organisations. We also hope that our pupils can become more aware of some of the issues our elderly and those with dementia may face.

Pupils and their families can participate in this collaboration by donating any of the household or medical consumables listed below:
