RIDING THE BUS

- Keep yourself and your things inside the windows.
- LISTEN to and OBEY your bus driver.

GETTING OFF THE BUS

- Get off carefully, use the handrails.
- Stand where your bus driver can see you.
- Watch for the bus driver to signal you before crossing.
- Wait until the bus driver tells you it's OK to pick up anything you may have dropped.

Safety of the children and adults is important

While the school is trying to look out for the safety of all pupils by deploying security guards, parent volunteers and staff as traffic wardens inside and outside the school, we need a whole community approach to ensure that everyone is safe.

This will cause some inconvenience but we appeal to parents / guardians to place the safety of all children and the interest of our neighbouring community above convenience and one's own interest

Thank You
